

On June 19, 2025, the Cholistan University of Veterinary and Animal Sciences (CUVAS), in collaboration with Pakistan Scientific and technological information Centre, Pakistan Science Foundation (PSF), organized workshop on "PSG 2023: Pakistan Precepts, Standards and Guidelines for Quality Assurance. Dr. Rana Muhammad Bilal, Director of QEC CUVAS, welcomed the guests alongside his team. The workshop was held under the patronage of Worthy Vice Chancellor Prof. Dr. Muhammad Mazhar Ayaz, who emphasized aligning academic and research activities with international standards to improve global rankings. Guest speakers Prof. Dr. Asadullah Madani and Mr. Rao Mazhar Hussain from the Quality Enhancement Cell (QEC) of The Islamia University of Bahawalpur joined in person, while Mr. Muhammad Hasnain, Assistant Director of Pakistan scientific and technological information Centre, joined virtually. They discussed the framework of PSG 2023, comparing review of institutional performance and enhancement standards, and stressed their importance in enhancing the quality of education in higher institutions. The session was attended by faculty and administrative staff, including deans, directors, and senior officers from various departments. The Vice Chancellor appreciated the QEC team's efforts and presented shields to the guest speakers and certificates to the participants.
